Partnership health plan members are covered at no cost...

This has been a challenging year and the state partnership health plan is here to support you and your loved ones.

Once the vaccine is available, you can take comfort knowing you're able to protect yourself, your family, and your community by taking this preventive measure.

Please be on the lookout for more information about vaccine availability or contact your medical provider.

The FDA has authorized the vaccine for Emergency Use after rigorous evaluation of its safety and effectiveness.
